

RIVER SCRAMBLE

PAR - TEE ON THE HALIFAX

April 25, 2020

About

The River Scramble is a one of a kind golf experience. Floating greens, golf boats and biodegradable fish food balls make this event the “par-tee” on the water you won’t want to miss!!!! Fans of golf and boating can have a “hole” lot of fun showing off their swings and raising money for Provision Packs, one shot at a time.

There are no golf carts, ONLY BOATS, each foursome travels by BOAT from tee to tee, with a designated driver/caddy, Boats are docked and golfers come ashore to Tee off at the designated 9 river front tee locations. Each player gets ONE shot at each of the 'floating holes,” using biodegradable golf balls that dissolve into fish food after 90 hours in the water. After playing nine holes, the teams will celebrate at OFF THE HOOK with an awards ceremony!!!!!!

Teams can show their spirit by decorating their boats and dressing up in costumes. While it is not a required, a special award is given to the most spirited/best dressed team.

Trophies awarded to the top three teams with the best scores, the team with the worst score, most team spirit and best costumes.

The River Scramble was originated by The Preferred Business Group “PBG” organization, and are excited to be teaming up with Provision packs

What is Provision Packs?!

The Provision Pack Program was founded to provide nutritional assistance to low income families. The families in our program are living in poverty, and in some cases homeless situations. According to the US Census Bureau, in 2015, approximately 100,000 people (17.7%) of Volusia County lives in poverty. These families are faced with the unfortunate decisions of having to choose between paying rent, a utility bill, and putting food on their table. No one should be faced with such difficult decisions.

At Provision Packs, we provide well balanced nutritional food for children on the weekend, and extended breaks during the school year. Our goal, through these packs, is to offer support and to relieve some of their burdens. Most importantly, we hope that these packs provide the blessing of nutrition and bring comfort to the children of Ormond Beach so that our youth can focus on their academics and become healthy, successful young adults.

What is PBG?!

Established in 2006, the PBG is comprised of reputable business owners and trusted sales professionals committed to aiding one another in strengthening each of their businesses, providing a higher level of service to their individual customers, serving the community and maintaining the highest level of ethical standards.

The members of the Preferred Business Group (PBG) represent different businesses offering a variety of services or trades to the greater Volusia and Flagler County. Each member pledges to hold their individual business practices to the highest level of ethical standards. Our website serves as a community service directory to take the guess work out of the equation for you, the consumer, as to who to hire or where to go for certain services.

Description

Come join our unique “on the water” golf tournament. The River Scramble Golf Tournament takes place on our Halifax River, with floating greens, golf boats and biodegradable golf balls that turn into fish food!

The River Scramble Charity Golf Tournament is a great time on the water. All to help our local Provision Packs Organization!! The kickoff party is Friday, April 24, 2020 at River Bend Golf Club from 6-10pm. All teams (5 people per team) come for their goody bags (1 for each team member) and shirts (1 for each team member). We will have raffles, 50/50 raffle, and food. The party is open for anyone, the tickets are \$25 each but each team members gets a ticket included with their registration.

At the kickoff party you will get your team schedule, score cards, and team assignments (don't worry if everyone from your team cannot make it, as long and one team member comes). Boats travel in packs of 3's, all going to the locations in a certain order. This is important so we don't have too many boats at one location at one time!!!

Trophies awarded to the top three teams with the best scores, the team with the worst score, most team spirit and best costumes.

The Day of:

Saturday, April 25, 2020, everyone meets at their assigned hole no later than 8:30, Tee Time is at 9am SHARP!!!

The 9-hole locations are as follows:

1. Halifax Marina
2. Halifax Marina
3. Chart House
4. Off the Hook
5. Down the Hatch
6. Sand Dollar Island
7. Big Island North
8. Big Island South
9. Cut through Island

There is a shotgun start at 9 am from your assigned hole, boats disperse for the day, traveling to each hole by boat. Each team member gets 1 shots at each hole. All teams meet at @ 4 pm at OFF THE HOOK for an awards ceremony.

Trophies awarded to the top three teams with the best scores, the team with the worst score, most team spirit and best costumes.

Be safe & see you on the water!!
